

Navigation Assistant User Evaluation

Questionnaire

Section 1: General Information

Age: 22

Gender: Female

Eyesight: ☒ have glasses ☐ do not wear glasses

If you selected "have glasses" above please fill out the following:

Do you need glasses for: ☒ Distance (short sighted) ☐ Reading (long sighted)

How poor would you say your eyesight is without your glasses (if you know your glasses prescription please include it below):

Objects have a fuzzy outline at a distance. Can make out
shapes of things but can't see the detail

Section 2: Evaluation

	Question	Strongly Agree	Agree	Neither agree nor disagree	Disagree	Strongly disagree
1	I would like to use this system again		<input checked="" type="checkbox"/>			
2	I found the system difficult to use			<input checked="" type="checkbox"/>		
3	I felt confident using the system		<input checked="" type="checkbox"/>			
4	I am likely to recommend Navigation Assistant to a friend			<input checked="" type="checkbox"/>		
5	I found the instructions clear and easy to understand		<input checked="" type="checkbox"/>			

After testing Navigation Assistant what score would you give it out of 10: 7

How would you describe Navigation Assistant in one or more words?

clear instructions

What changes would you make to Navigation Assistant?

Find where to position belt
Increase speed because some instructions could be a
little slow to receive & wouldn't be good enough if
I was moving quickly
